PLEASE REVIEW THE FOLLOWING INFORMATION CAREFULLY:

Due to the recent turmoil in the real estate market and the general economy over the past two years, Ken Dixon Automotive knows that there are too many good people that have had credit problems. Late payments, divorce, bankruptcy, mortgage defaults, they can all make it hard to buy a vehicle at many dealerships but not at Ken Dixon Automotive, if you can act now.

For four days only, Ken Dixon Automotive is offering credit assistance to their customers. Regardless of any credit issues you may have had in the past, Ken Dixon can help get you approved for a new Chevrolet or a quality late-model used vehicle. **IT'S JUST THAT SIMPLE!**

To speed your purchase, just bring a current pay stub, a telephone or electric bill and the title and/or payment book for your current vehicle (if you want to trade it Ken Dixon will do the rest)! Ken Dixon has scores of new Chevrolets, Cadillacs and quality, late-model used cars, trucks, vans and sport utility vehicles for you to choose from. There is no reason you can't be driving a new car if you can act on the following days:
